

IMAGINE ART GALLERY & STUDIO ANNUAL GROUP SHOW

November 10th saw the opening night of our 2nd Annual Group Show, showcasing the works of all the wonderful people who take part in Art Classes at the Gallery.

This year the bar was raised and the outstanding contribution of paintings by everyone was a pleasure to witness. The subject matter was wide and varied. The Gallery walls were brimming with colour, mood, comedy and undeniable talent.

Congratulations to Aileen and Coral for selling their work. It's always such a thrill when someone loves your painting so much they want to hang it in their house.

Thank you to Andrew Habib, our photographer for the night. A great job Andrew. Don't forget us when you are rich and famous, as you most certainly will be.

A great big thank you to my family/support group, (Rod, Shane and Anne) without whose help, encouragement and love the Exhibitions would not happen.

Finally thank you to all my wonderful artists, their family and friends and members of the public who visited the Gallery on opening night (and the following week) to view the artwork. Should we do it all again next year? Absolutely!!

Cheers, Rosalind.
